**Dear Mr. Canfield**

On April 21, 2005, OncoLogics, Inc. was notified that the Federal Election Commission found reason to believe that it violated 2 U.S.C. § 441a(a)(1)(A). On June 15, 2005, you submitted a response to the Commission's reason to believe finding. After considering the circumstances of the matter, the Commission determined on May 1, 2007, to take no further action as to OncoLogics, Inc., and closed the file as it pertains to OncoLogics, Inc.

At the time the Commission made the reason to believe finding regarding OncoLogics, Inc., it decided to take no further action as to Maitland Deland regarding the violation of 2 U.S.C. § 441a(a)(1)(A). Your response to the reason to believe finding regarding OncoLogics, Inc. indicates that Maitland Deland may have made contributions in the name of another by attributing contributions to her colleagues. The Commission admonishes Maitland Deland that making contributions in the name of another is a violation of 2 U.S.C. § 441f. See 11 C.F.R. §§ 104.8(c) and 110.1(k). Your client should take steps to ensure that this activity does not occur in the future.

You are advised that the confidentiality provisions of 2 U.S.C. § 437g(a)(12)(A) remain in effect, and that this matter is still open with respect to other respondents. The Commission will notify you when the entire file has been closed.
